

INTRODUCING A NEW LINE OF BC SCALE SHIPPING SCALES

INTRODUCTORY PRICE OF ONLY \$195.00!

**Ideal for Office or Warehouse Shipping Duties.
AC or Battery Power
330 Pound Capacity**

The BCS-ES300 features battery power or AC adapter (included). The scale's easy-to-read remote Backlit LCD weight display features 1-inch-high digits. The HOLD key on the remote display allows the weight to be retained after leaving the platform. The remote display's lengthy scale cord allows it to be positioned away from the platform or nearby, wherever weight display is convenient for viewing.
